

Cookies Policy

What is a cookie?

A cookie is a small text file stored on your browser or the hard drive of your device from websites that you visit. Cookies are used to track how you interact with a website and are primarily used to improve the efficiency and experience of a website, every time the website is accessed.

How long does a cookie last?

The duration of a cookie depends on its function. There are two different types of cookies:

Session Cookies – Session cookies only last for your online session. These cookies are erased when the website browser on your device has closed.

Persistent cookies – Persistent cookies last longer and remain on your device after the browser has closed. The duration of the cookie can be seen within the cookie details on your browser. These cookies are saved to your device and will be in effect when the website is next accessed.

How do we use cookies?

The cookies used on our website are classified into the following categories:

Essential Cookies are required for the website to function and cannot be switched off in our systems. These cookies allow you to move around the website and use essential features.

Analytics and Performance Cookies allow us to track analytics to help us understand how our website is used (e.g. which pages you visit). This enables us to identify any errors or performance issues to improve the website.

Functional Cookies are cookies used to remember choices users make to improve their experience, for example, preferences and settings.

The data we collect through cookies cannot be used to directly identify you and does not cause harm to your internet system. The data collected will not be shared with any third parties.

How can I control cookies?

Not all cookie usage is mandatory and as the user, you can change your cookie preference at any time. If you wish to reject cookies, go to your browser settings and block the use of optional cookies for this website. Visit <https://www.aboutcookies.org/how-to-manage-and-delete-cookies> for more information on how to do this.

Please be aware that disabling the use of our cookies or restricting future cookies may cause the website to become inaccessible which may limit your user experience.
